66 Construction companies

2nd Largest employing industry in the Municipality

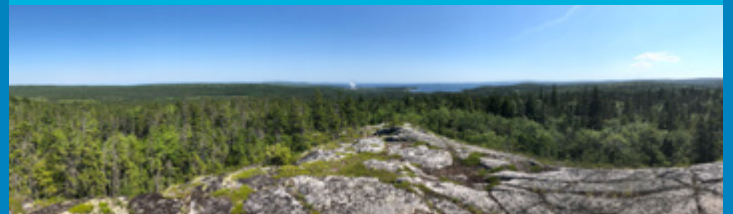

40 Development permits issued (2019)

39 Housing Starts (2019)

A Land of Opportunity

There is no shortage of construction opportunities in the Municipality of Chester
Senior Housing: With an inadequate supply of seniors housing, the Municipality of Chester is in need of affordable units in all types.

Long-Term Rentals: As a thriving tourist destination, Chester's short-term rental success has created a shortage of long-term rental units.

Why The Municipality of Chester for your Business?

-  Comparatively **low development charges** and tax rates
-  **\$275,000** – Average home price (national average of \$503,000)
-  **\$1,500** – Average monthly Commercial Lease
-  **21%** – Canada's total tax rate (2nd lowest amongst OECD countries for small-medium enterprises)
-  **4%** – Lower Cost of Living compared to National Average
-  **\$54,336** – Median Household Income
-  More diverse workforce – **5.4%** of residents were born outside of Canada. This is higher than many rural areas, and also higher than the provincial average of 5.3%
-  **75%** of people have reported a strong sense of “belonging to a community”
